§ 108.3 Definition.

Secretarial Designee Program. The program established under section 1074(c) to create by regulation an eligibility for health care services in military medical treatment facilities (MTFs) as well as dental treatment facilities for individuals who have no such eligibility under 10 U.S.C. chapter 55.

§ 108.4 Policy.

It is DoD policy that:

(a) *General Policy.* The use of regulatory authority to establish DoD health care eligibility for individuals without a specific statutory entitlement or eligibility shall be used very sparingly, and only when it serves a compelling DoD mission interest. When used, it shall be on a reimbursable basis, unless non-reimbursable care is authorized by this part or reimbursement is waived by the Under Secretary of Defense (Personnel & Readiness) (USD(P&R)) or the Secretaries of the Military Departments when they are the approving authority.

(b) *Foreign Military Personnel and Their Dependents.* (1) *MTF Care in the United States.* Foreign military personnel in the United States under the sponsorship or invitation of the Department of Defense, and their dependents approved by the Department of Defense to accompany them, are eligible for space-available care as provided in DoD Instruction 1000.13.⁴ Consistent with 10 U.S.C. 2559, in cases in which reimbursement is required by DoD Instruction 1000.13, a RHCA may provide a waiver of reimbursement for inpatient and/or outpatient care in the United States in a military medical

treatment facility for military personnel from a foreign country and their dependents, if comparable care is made available to at least a comparable number of U.S. military personnel and their dependents in that foreign country. A disparity of 25 percent or less in the number of foreign personnel and dependents above U.S. personnel and dependents shall be considered within the range of comparable numbers.

(2) *Non-MTF Care in the United States.* Foreign military personnel in the United States under the sponsorship or invitation of the Department of Defense, and their dependents approved by the Department of Defense to accompany them, are not eligible for DoD payment for outpatient or inpatient care received from non-DoD providers, except for such personnel covered by the North Atlantic Treaty Organization Status of Forces Agreement (SOFA) or the Partnership for Peace SOFA and authorized care under the TRICARE Standard program according to §199.3 of title 32, Code of Federal Regulations, outpatient care may be provided as specified therein.

(c) *Foreign Diplomatic or Other Senior Foreign Officials.* Foreign diplomatic or other senior foreign officials and the dependents of such officials may be provided inpatient or outpatient services in MTFs only in compelling circumstances, including both medical circumstances and mission interests, and through case-by-case approval.

(1) In the United States, the approval authority is the USD(P&R). The authority to waive reimbursement for care provided in the United States, to the extent allowed by law, is the USD(P&R) or the Secretaries of the Military Departments when they are the approving authority.

(2) Requests from the State Department or other agency of the U.S. Government will be considered on a reimbursable basis.

(3) Under 10 U.S.C. 2559, reimbursement to the United States for care provided in the United States on an inpatient basis to foreign diplomatic personnel or their dependents is required.

(d) *Other Foreign Nationals.* Other foreign nationals (other than those described in paragraphs (b) and (c) of this section) may be designated as eligible
